## ANNOUNCEMENTS

We hope everyone had a wonderful chag. Now that we just "received the Torah" on Shavuous, the 613<sup>th</sup> commandment is to write a Sefer Torah. This can be fulfilled through a shliach, hence, the board has decided to hire a sofer and to fundraise the necessary means to be able to purchase a Sefer Torah for the shul in HONOR OF Rabbi & Rebitzen Cohen for their years of service to the shul, and the community. This is being done in order to cement Rabbi Cohen's legacy in the walls of this shul. The Rav has given more than 30 years of his life to this shul and this is how we [and hope that YOU] want to show our HAKARAS HATOV to the Rav.

We are trying to expedite the Hachnasas Sefer Torah due to the fact that the Rav is leaving soon. This cannot be done without your help!!! Now, we understand that funds may be tight especially right after the dinner, which is why we are offering a payment plan! If you are even considering being a part of this amazing event and tremendous z'chus, kindly contact Rob or Yaakov.

Thank you to Mr. and Mrs. Hauptman for sponsoring the Women's shiur for the month of Sivan.

Bnos and Pirchei are over for the season

**SHABBOS MORNING GROUPS – WE NEED YOUR HELP in finding counselors! Please ask your neighbors and friends if they know anyone who may want to help out and even get paid 😊 Our counselors are moving on and we need replacements. If we can't get someone, we will have to close groups. Part time help is welcomed.**

**Grants - It seems there are grants that we can use, if you are able to help with this, please let us know.**

The shul can use your help with various things, if you have any time, please let Rob or Yaakov know.

**Going digital will save the shul money and be more efficient, please join the email list – please use the QR code below (on schedule page) or on the door of the shul to join.**

Join us for daily Tehillim for Eretz Yisroel between Mincha & Maariv. Can't make it – we say chapters קל & קכא

**If you are bringing your children to groups, they must stay at groups! If you want to get them from groups early you may, but they can't come and go, as we do not have enough counselors to supervise them**

**Are you handy? We are looking for people to help around the shul – inside and out. If you can assist please let us know.**

**Shul seating – there are no reserved seats! No shtenders of any type are allowed! PLEASE TAKE your items with you AFTER EACH Minyan.**
